

The mission of the Lyman High School Athletic Booster Club is to be the primary fundraising source for ALL Lyman athletic teams, as well as participate in the maintenance of the facilities around the high school.

Corporate Sponsorship Field Banners

Our mission is to be the primary fundraiser for the Lyman High School Athletic. You have a unique opportunity to become a business partner and sponsor by placing your logo on a field banner within the sports complex. We have unlimited space with unlimited opportunities.

Your Corporate Sponsorship will be proudly displayed near our newly renovated scoreboard in which multiple organizations utilize the board and field such as Football, Soccer, Lacrosse, Track and Field, Band Competition, Pop Warner and many other events.

Your sponsorship helps fund multiple booster events including but not limited to the presentation of four -\$500 Scholarships for graduating seniors and an Athletic Luncheon for athletes with a 3.25 GPA or higher and providing access to much needed equipment. Other booster events that will benefit from your sponsorship are the Annual Golf Tournament and 5K Run/Walk.

ALL Proceeds from your sponsorship benefit ALL Lyman High School Athletics Teams and Clubs

Listed below are the sizes, locations and costs of the scoreboard panels.

Field Banners
