Booster FAQ Continued

Q. Once a member, do I have to attend Booster meetings?

A. Of course not, but all members are welcome and encouraged to attend. Monthly meetings are generally held the second Monday of each month at 6:30pm, but these are subject to change.

Q. Once a member, do I have voting privileges at the meetings?

A. Members are welcome and encouraged to join in discussions, but only the Booster Board of Directors may vote on any proposals.

Q. When I join, how else can I help the Boosters?

A. The Boosters organize and run a variety of events over the school year. Each of these events will need to be planned and staffed. In addition to helping achieve the Booster's goals, it can actually be FUN!

Q. If I join the Booster Club, will my son's team receive any of the membership money?

A. Yes, a portion of each membership level is credited to the sport you specify on your membership form.

Q. My daughter's team does its own fundraising to support its needs, why shouldn't I just give them the entire amount for my membership instead of joining the Boosters where only a percentage goes to her team?

A. Remember the Booster Club supports ALL of Lyman's teams and ALL of Lyman's athletic facilities. By supporting the entire athletic department and all of our athletes, the Boosters intend to build first class facilities and well funded teams that can compete favorably with all of our area schools.

Q. What have the Booster's done lately for Lyman's athletic program?

A. Recent Booster Club support includes purchase of video software and computer for the football team, funding to complete the enclosed baseball batting cages, building a state of the art batting cage for the girl's softball team, new water polo goals, new tennis nets, boys and girls home basketball uniforms, fitness room equipment, and travel support for our Regional Champion boys soccer team,

A. Yes, you may visit us at www.lymanboosters.com.
